

## **OCCUPATIONAL HEALTH AND SAFETY POLICY**

Tekirdag Un We carry out the activities of milling cereals and production flour. We reflect the importance we give to Occupational Health and Safety based on the principle of " Our employees are our most valuable"".

With this awareness, our Occupational Health and Safety Policy;

- To ensure that the activities we carry out for Occupational Health and Safety in our organization comply with the laws and regulations,
- To provide safe and healthy working conditions to prevent work-related injuries,
- To ensure the participation and consultation of employees/employee representatives in Occupational Health and Safety management,
- To determine the risks that may cause work accidents, to take precautions and thus to prevent work accidents by eliminating the hazards,
- To raise awareness of our employees and subcontractors on Occupational Health and Safety and to organize necessary training activities,
- To ensure the continuity of the Occupational Health and Safety Management System and to aim for continuous improvement by periodically reviewing it.

As the management, we undertake to continuously improve the system we have created and to comply with all local and national laws, Occupational Health and Safety legislation and regulations regarding Occupational Health and Safety.
